

**SUPPLEMENT
ACTIVATION OF NEW OR DIFFERENT SERVICES
SPECIAL DISTRICT**

INTRODUCTION: The questions on this form are designed to obtain data about the specific service(s) requested to be authorized for the district. The purpose is to allow the Commission, staff and others to adequately assess the project. You may also include any additional information which you believe is pertinent, using additional sheets, where necessary, and including any relevant documents to support the project.

1. Please identify the function(s)/service(s) proposed for activation:

Example: (function) Water

(Service) Retail, wholesale, domestic, industrial,
irrigation, fire protection, sanitation

FUNCTION

SERVICE

2. Provide a statement of the reason(s) for the proposal which shall include, but not be limited to, a description of any existing service deficiency, general plan determinations (existing or anticipated change necessitating service), anticipated growth rate (please identify source of data), topography, etc.

3. What service(s) was the District authorized to provide at the time of its formation? (Would be identified in final resolution approving formation or included in election decision – a copy of this document may be attached to fulfill this requirement.)

4. Provide an identification of any multiple purpose districts within the area authorized to provide the identified function/service activation. Include a description as to why the preferred choice has been made.

5. PLAN FOR SERVICES:

The requirements for the Plan for Service are outlined in Government Code Section 56824.12 and are summarized below:

1. The total estimated cost to provide the new or different function or class of service within the District's boundaries.
2. The estimated cost of the new or different function or service to existing customers within the district's jurisdictional boundaries. (The cost can be identified by customer class).
3. An identification of existing providers, if any, of the function(s)/service(s) and the potential fiscal impact of this activation to the customers of those providers.
4. A plan for financing the establishment of the new or different function/service within the district's jurisdictional boundaries. A discussion about the sufficiency of revenues to fund the anticipated ongoing maintenance and operation of the service is also required. This plan should include:
 - a. An indication of whether territory is or will be proposed for inclusion within a proposed improvement zone/district, assessment district, or community facilities district to fund the service.
 - b. If retail water service is proposed to be activated through this action, provide a description of the timely availability of water for projected needs within the area. (The response should be patterned after the factors identified in Government Code Section 65352.5 related to an Urban Water Management Plan.)
5. A discussion of the alternatives to the establishment of the new or different service within the District's boundaries/service area.

This plan shall, at a minimum, respond to each of the items identified above and shall be signed and certified as to its completeness and accuracy by an official of the requesting agency.

CERTIFICATION

I hereby certify that the statements furnished above and in any attachments and exhibits hereto present the data and information required to the best of my ability, and that the facts, statements, and information presented herein are true and correct to the best of my knowledge and belief. I understand that if this application is approved, the Commission will impose a condition requiring the applicant to indemnify, hold harmless and reimburse the Commission for all legal actions that might be initiated as a result of that approval.
